**SOCIAL AND CULTURAL ANTHROPOLOGY
HIGHER LEVEL
PAPER 3**

Friday 13 November 2009 (morning)

1 hour

INSTRUCTIONS TO CANDIDATES

- Do not turn over this examination paper until instructed to do so.
- Answer one question.

Answer **one** question. The answer must refer to **fundamental theoretical issues** and their application to specific and clearly identified **ethnographic illustrations**. Each question is worth [20 marks].

1. To what extent is the aim of anthropology to develop universal theories of humanity?
 2. To what extent does an ethnographer's theoretical position determine the way in which an ethnography is written?
 3. Why is history important to ethnography?
 4. Compare the ways in which **two** distinct theoretical schools have approached **either** structure **or** conflict.
 5. Evaluate the work of **one** anthropologist with reference to materialism and idealism.
-
