Access

Log into the candidates.ibo.org website and select the 'My coursework' tab.

Screen layout and upload process

The new eCoursework system will be displayed.

The screen is split into 3 key areas:

- 1. Search provides the ability to search on file names
- 2. **Portfolio elements** provides the status for the component portfolio with what files are required, and a way to upload each of the files.
- 3. **File storage** allows the upload of single or multiple files to a file storage area (for further information refer to '<u>Upload to file storage</u>')

At the beginning of the process the status for each component will be '**Not started**', this will change at different stages throughout the process.

Status descriptions:

The different status' are as follows (hovering over the icons displayed on screen will display their descriptions):

- Ont started no files are selected or uploaded
- OIN progress the process of uploading files and adding additional portfolio information is in progress
- Ready for submission all mandatory files have been uploaded and additional information is complete
- Candidate submitted the portfolio has been successfully submitted to the school
