

MAY 2021 Grade boundaries

This document provides the overall grade boundaries for IB Diploma Programme courses with more than 100 candidates in MAY 2021. All of these are available on IBIS as are those for courses with fewer than 100 candidates.

This DP/CP M21 subject report contains overall subject boundaries only, unlike previous reports where component boundaries were also published, component boundaries for this session are available in IBIS. The IB advises schools not to use component boundaries for this session as direct indicators of academic standards for future exam preparation because they have been set in response to the particular needs of the May 2021 cohort. Two significant conditions which do not normally feature in grade boundary setting have had to be satisfied during the boundary setting for the May 2021 session; the need to apply reasonable standards to adjusted assessment models for students who have restricted access to learning during the COVID pandemic and the need to maintain parity with students who undertook the non-examination route.
