**SOCIAL AND CULTURAL ANTHROPOLOGY
HIGHER LEVEL
PAPER 3**

Friday 18 November 2011 (morning)

1 hour

INSTRUCTIONS TO CANDIDATES

- Do not turn over this examination paper until instructed to do so.
- Answer one question.

Answer **one** question. The answer must refer to **theoretical perspectives in anthropology** and their application to specific and clearly identified **ethnographic illustrations**. Each question is worth [20 marks].

1. Why do some anthropologists adopt a diachronic perspective?

 2. Examine why a school of thought has emphasized **one** of the following:
 - idealist perspective
 - materialist perspective.

 3. How does **one** of the following shed light on a contemporary issue?
 - agency-centred perspective
 - particularistic perspective
 - structure-centred perspective

 4. Evaluate the contribution of **either** a cohesion-centred perspective **or** a conflict-centred perspective to the anthropological study of the social world.

 5. Evaluate the work of an anthropologist **or** school of thought which exemplifies a universalistic perspective.
-
