Directions: Read each summary entry and think about which themes listed in the Themes Key apply to it, then color in those themes in the Theme Tracker. Next, write a few sentences of Analysis to explain how the themes you chose apply to each summary section.

Note: There is not always a definitive set of “correct” answers for which themes should appear in the Theme Tracker. Answers that differ from the ones we propose below should therefore not automatically be treated as incorrect, and in fact can serve as great discussion starters.
